ICE

Butlins September 2023

Enjoyed by many people,
from all over Lincolnshire.

Voices For All Celebration Event

The meeting was about celebrating all the good work that has happened in Lincolnshire and things that make people smile.

The Speak Out Leaders made sure everybody had some exercise and fun at the meeting.

We have made a short video from clips and photos of different people and activities.

Here are some of the photos people wanted to share of them doing things that makes them smile

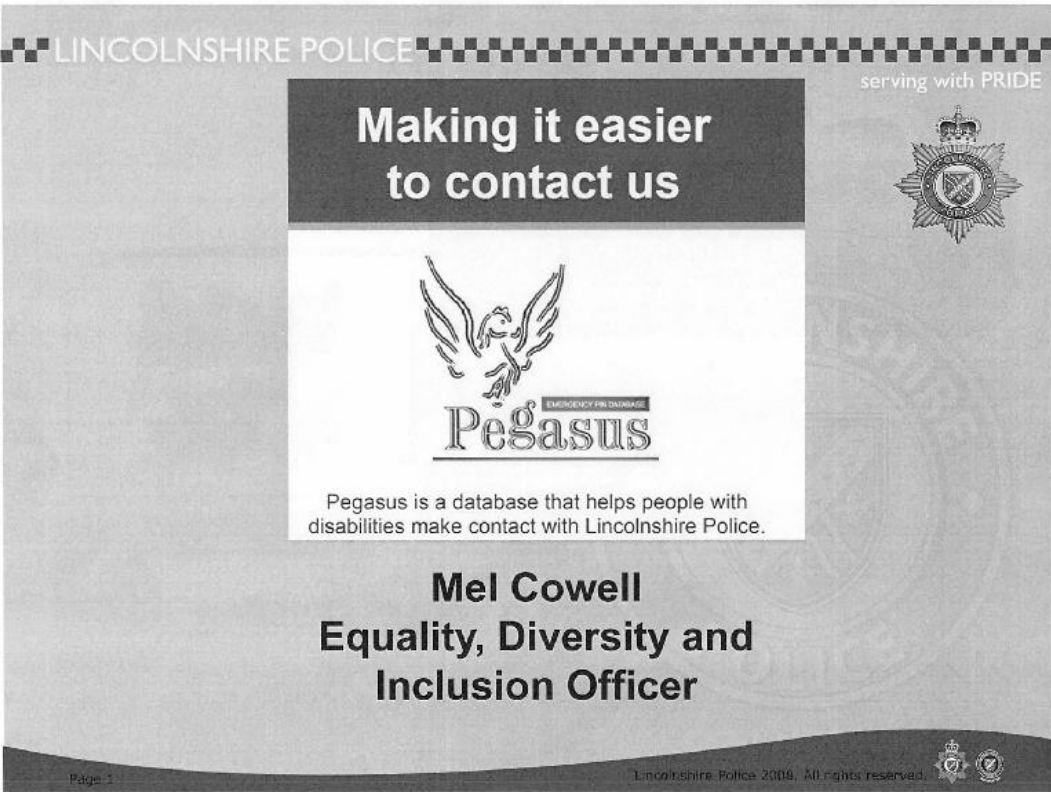

We will be sharing the video we have made. We would like to keep making regular short videos to let everyone in Lincolnshire know the many great things that are happening.

Staying Safe Work Group.

This group is working with Lincolnshire Police to make sure the Pegasus scheme is accessible and works effectively.

Click on the picture below to see a presentation on what the Pegasus card is, how to register for one and how it can help you.

Healthy Lifestyle Work Group

This group has been looking at the Oliver McGowan training and how it will happen in Lincolnshire.

We are working with others to support Annual Health Checks and Health Action Plans.

The Learning Disability Friendly Practice Scheme

We have awarded certificates to Doctors Surgeries that have joined the scheme and showing they are supporting individuals with a learning disability in a way that meets their needs well.
